BEFORE THE SEASON STARTS

# Set up your *Poddium profile*

⚠ We build the schedule from it. Complete it **BEFORE 1 January 2027**.

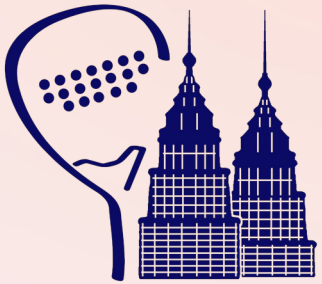

**1** **Blackout days**
Dates you are away

**2** **Preferred clubs**
Minimum 6 partner clubs

**3** **Times you can't play**
Every week, all season

PODDIUM PROFILE · 1 OF 3

# Blackout days: the dates you're away

Add every date between 11 January and 30 May 2027 when you **cannot play at all**: holidays, work trips, Chinese New Year, Hari Raya, mother-in-law birthday, kids show, etc....

We never schedule you on these dates.

**Complete them in your Poddium profile BEFORE 1 January 2027**

## 2 JOKERS per player

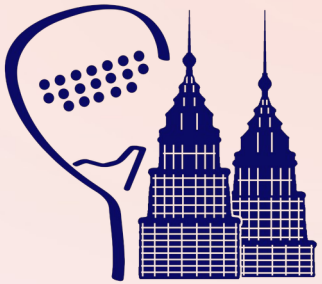

After 1 January, no new blackout dates are accepted.

Use a joker to **reschedule a match**, with at least 72 hours' notice.

Both jokers used? You can still reschedule, but **at your own cost** (court booking).

PODDIUM PROFILE · 2 OF 3

# Preferred clubs: where you'd like to play

Add **minimum 6 venues** to your Poddium profile: close to home or work, or simply the ones you like.

We will try to set your matches there. But expect to play a few matches outside these locations, based on your opponents preference, or based on the available inventory.

**Deadline: before 1 January 2027**

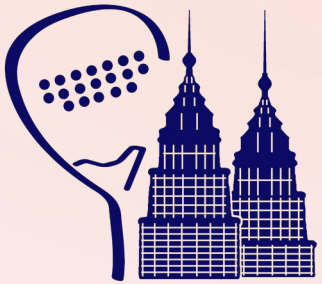

EXAMPLE · MY PREFERRED CLUBS

- **Club near home**
- **Club near the office**
- **One in common with your partner**

More clubs = more slots = matches placed faster.

PODDIUM PROFILE · 3 OF 3

# Times you can never play

Mark only the slots that are **impossible every week**, for the whole season. Everything else counts as available.

| Slot | Weekdays | Weekends |
|---|---|---|
| Morning 8–12 | Tick if never | Tick if never |
| Afternoon 12–19 | Tick if never | Tick if never |
| Evening 19–24 | Tick if never | Tick if never |

"Never Monday or Wednesday evening, never weekday mornings"

✓ Keep at least 2 days open each week

The fewer "can't play" slots, the better your schedule

**Deadline: before 1 January 2027**

**TBC / Algo capabilities**
