MY LIGA PADEL — Season 2 Terms & Conditions

By registering for MY LIGA PADEL Season 2, every player accepts these Terms & Conditions. Players play at their own risk, must hold their own personal accident and liability cover, and agree to the league's rules on fees, scheduling, conduct, photos and personal data.

1. The League and the Organiser

1.1 MY LIGA PADEL ("the League") is an amateur padel league in Kuala Lumpur, organised by [Scorehub SDB BHD, 1606850-T] ("the Organiser").
1.2 Season 2 runs from 10 January 2027 to the Finals Weekend on 16–17 May 2027, at the League's partner clubs ("the Clubs").
1.3 The League is an independent amateur competition. It is not organised, sanctioned or endorsed by any national federation or governing body.
1.4 "Player" means any registered player or approved substitute. "Team" means a pair of Players registered together.

2. Eligibility and registration

2.1 Players must be at least 16 years old on the first day of the season. Players aged 16 or 17 may take part only with the consent of a parent or guardian, given in the registration form.
2.2 A Team registers with two Players and chooses one division: Open (Divisions 1 to 5, for men, mixed or women teams) or Women (Divisions 1 to 5, both Players women). Each Team registers in the division closest to its level, using the division table in the Player Handbook. Division 1 is the strongest.
2.3 The Organising Committee reserves the right to move a Team to another division to keep matches balanced, based on the Players' level, results or past seasons. Its decision is final. Every division is confirmed before the schedule is published.
2.4 Each Player completes their Poddium profile before 1 January 2027: blackout days (the dates they cannot play at all during the season), at least 6 preferred partner clubs, and the days and time slots they can never play. The Organiser builds the schedule from these profiles but cannot guarantee every preference: Teams should expect to play some matches outside their preferred clubs, based on their opponents' preferences or court availability. After 1 January 2027, no new blackout dates are accepted (see section 5.2).
2.5 Registrations are open from 20 November to 20 December 2026. A Team's registration is confirmed only when both Players have registered and paid on Poddium and the Organiser sends a written confirmation. Places are limited and allocated in order of payment.
2.6 Players must give accurate information. False information, such as a wrong level or another person playing under a Player's name, may lead to exclusion without refund.

3. Fees, payment and refunds

3.1 The entry fee is **RM650 per Player (RM1,300 per Team)** for Season 2. It covers the league matches, court bookings for scheduled matches, new balls, the Finals Weekend (free for

qualified Teams) and a welcome pack for every Player, worth RM200.
3.2 Each Player pays their fee in full on Poddium when registering, before the registration deadline of 20 December 2026.
3.3 Refunds:

- Withdrawal before the registration deadline (20 December 2026): refund of the fee minus a RM[100] admin charge.
- Withdrawal after the registration deadline, or after the schedule is published: no refund, because courts are booked and paid in advance.
- A Team excluded for breaking these Terms: no refund.

3.4 If a Player is injured, the Team may continue with an approved substitute (section 5) instead of withdrawing.
3.5 If the Organiser cancels the whole season before it starts, it refunds the fees in full.

4. Format and schedule

4.1 Each division is split into round-robin groups of up to 9 Teams. Each Team plays **8 league matches**, one round every two weeks, from 10 January to April 2027.
4.2 Matches are played Monday to Friday at the Clubs, on the days, times and courts set by the Organiser. The schedule is published in the league app (Poddium) before the season starts.
4.3 Match format: [best of 3 sets, silver point, super tie-break instead of a third set — to confirm]. After each match, the Teams share the result with a vertical photo on their division's WhatsApp group within 24 hours, and the Organiser updates Poddium.
4.4 Standings: [3 points for a win, 1 for a loss played, 0 for a walkover — to confirm]. Ties are decided by head-to-head result, then sets difference, then games difference.
4.5 The **top 16 Teams of each division** qualify for the Finals Weekend (section 9).

5. Rescheduling, walkovers and substitutes

5.1 A Team that cannot play a scheduled match must tell the Organiser and the other Team at least **72 hours** before the match.
5.2 Jokers. Each Player has 2 jokers per season to reschedule a match, with at least 72 hours' notice. Once a Player has used both jokers, the Team may still reschedule, but pays the court booking for the rescheduled match. A rescheduled match must be played before the end of the same round, on a date both Teams accept.
5.3 A Team that does not show up, arrives more than 15 minutes late, or cancels with less than 72 hours' notice loses the match by walkover. Two walkovers in a season may lead to exclusion without refund.
5.4 **Substitutes:** a Team may use substitutes, with no limit on their number, if each substitute is approved in advance by the opposing Team and the Organiser. A substitute must be at a similar or lower level than the Player replaced. The Organiser may refuse a substitute to keep the competition fair.
5.5 Substitutes accept these Terms before playing and are covered by the same rules on risk, insurance, photos and personal data.

6. Clubs, courts and conduct

6.1 Players follow the rules of each Club they play at: check-in, dress code, shoes, booking times, parking and use of facilities. A Club may refuse access to a Player who breaks its rules.
6.2 Players treat opponents, Club staff, the Organiser and spectators with respect. Abuse,

threats, violence, cheating, racket throwing or damage to Club property are not accepted.
6.3 Players pay for any damage they cause at a Club.
6.4 The Organiser may warn, suspend or exclude a Player or a Team for misconduct, without refund. Before a suspension or exclusion, the Player can give their side of the story in writing within 48 hours.
6.5 Disputes about a result are sent to the Organiser within 24 hours of the match, with any evidence (photos of the score, messages). The Organiser's decision is final.

7. Health, risk and insurance

7.1 **Fitness to play.** Each Player confirms they are in good health and fit to play competitive padel. A Player with a medical condition, injury or pregnancy asks a doctor before playing.
7.2 **Assumption of risk.** Padel is a physical sport with a risk of injury, including from the ball, rackets, glass walls, falls and heat. Each Player takes part voluntarily and **at their own risk**.
7.3 **No insurance provided by the League.** The Organiser does not provide personal accident, medical or liability insurance for Players.
7.4 **Players' own cover.** Each Player is responsible for having, at their own cost:

- **personal accident and medical cover** for sports injuries; and
- **personal (third-party) liability cover** for injury or damage they may cause to others.

By registering, each Player declares they hold this cover or accept the risk of not holding it.
7.5 **Clubs.** The Clubs hold their own insurance for their premises and facilities. Any claim about the condition of a court or facility is made to the Club concerned.
7.6 **Heat and hydration.** Players drink regularly, take breaks between sets and stop playing if they feel unwell.

8. Limitation of liability

8.1 To the maximum extent permitted by Malaysian law, the Organiser, its founders, staff, volunteers, sponsors and the Clubs are not liable for:

- injury, illness or death suffered by a Player while playing, travelling to or from a match, or attending a League event;
- loss, theft or damage to personal belongings (rackets, phones, bags, vehicles);
- injury or damage a Player causes to another person or to property.

8.2 Nothing in these Terms excludes or limits liability that cannot be excluded under Malaysian law, including liability for death or personal injury caused by the Organiser's own negligence.
8.3 Where the Organiser is found liable, its total liability to a Player is limited to the entry fee paid by that Player's Team for the season.
8.4 Each Player agrees not to bring a claim against the Organiser for a risk accepted in section 7, and to cover the Organiser's costs if a claim arises from that Player's own breach of these Terms or deliberate misconduct.

9. Prizes and Finals

9.1 The Finals Weekend takes place on **Saturday 16 and Sunday 17 May 2027** at [host club(s), to be confirmed]. It is free for qualified Teams.
9.2 In each division, the 16 qualified Teams play a knockout: Round of 16 and quarter-finals on Saturday, then semi-finals and final on Sunday. The two losing semi-finalists play a third-place match on Sunday. There is no consolation bracket.
9.3 Cash prizes (RM16,000 in total), per Team:

Division	Champions	Finalists	Each semi-finalist	Total
Open Division 1	RM5,000	RM3,000	RM1,000	RM10,000
Women Division 1	RM3,000	RM1,800	RM600	RM6,000

9.4 All 10 divisions receive trophies for the champions, finalists and third-placed Teams. Every Player who qualifies for the Finals Weekend also receives merchandise from the Division Sponsor (RM35,000 of merchandise in total), handed out at the Finals venue.
9.5 Cash prizes are paid by bank transfer to the two Players of the Team, in equal shares, within 30 days of the Finals. Players are responsible for any tax due on their prize.
9.6 A Team found to have broken these Terms (for example an unapproved substitute or a false level) loses its prize.

10. Photos, videos and personal data

10.1 **Photos and videos.** The Organiser takes photos and videos at matches and League events, including the daily match-result photos. By registering, each Player agrees that the Organiser and its partners may use them, without payment, on the League's social media, website, app, flyers and partner communications.
10.2 A Player who does not want to appear tells the Organiser in writing. The Organiser will then avoid posting photos where that Player can be recognised and remove existing posts on request.
10.3 **Personal data.** The Organiser collects Players' names, contact details, level, availability, results and payment records to run the League, under the Personal Data Protection Act 2010 (PDPA).
10.4 The Organiser shares this data only with the Clubs and the league app provider, and only as needed to book courts and run the competition. It does not sell personal data. It shares contact details with sponsors only if the Player opts in.
10.5 Players may ask to see, correct or delete their data by contacting the Organiser.

11. Changes, cancellation, governing law

11.1 The Organiser may change the schedule, venues, format or these Terms when needed to run the League, for example if a Club closes a court. It tells Players by WhatsApp and in the league app. Major changes to the fee or prizes apply only with notice before the season starts.
11.2 If matches cannot take place for reasons outside the Organiser's control (public holidays, government restrictions, extreme weather, Club closure), the Organiser reschedules them where possible. These cases do not give a right to a refund.
11.3 These Terms are governed by the laws of Malaysia. Disputes go to the courts of Kuala Lumpur, after a good-faith attempt to settle them with the Organiser.
